

THIS IS MY LIBRARY!

GENEVA PUBLIC LIBRARY DISTRICT

THE LIBRARY

Soon I will go to my Library.
My library is a public place.
Lots of people go to my Library.
My Library has books, DVDs,
video games, toys, and a lot
of other things.

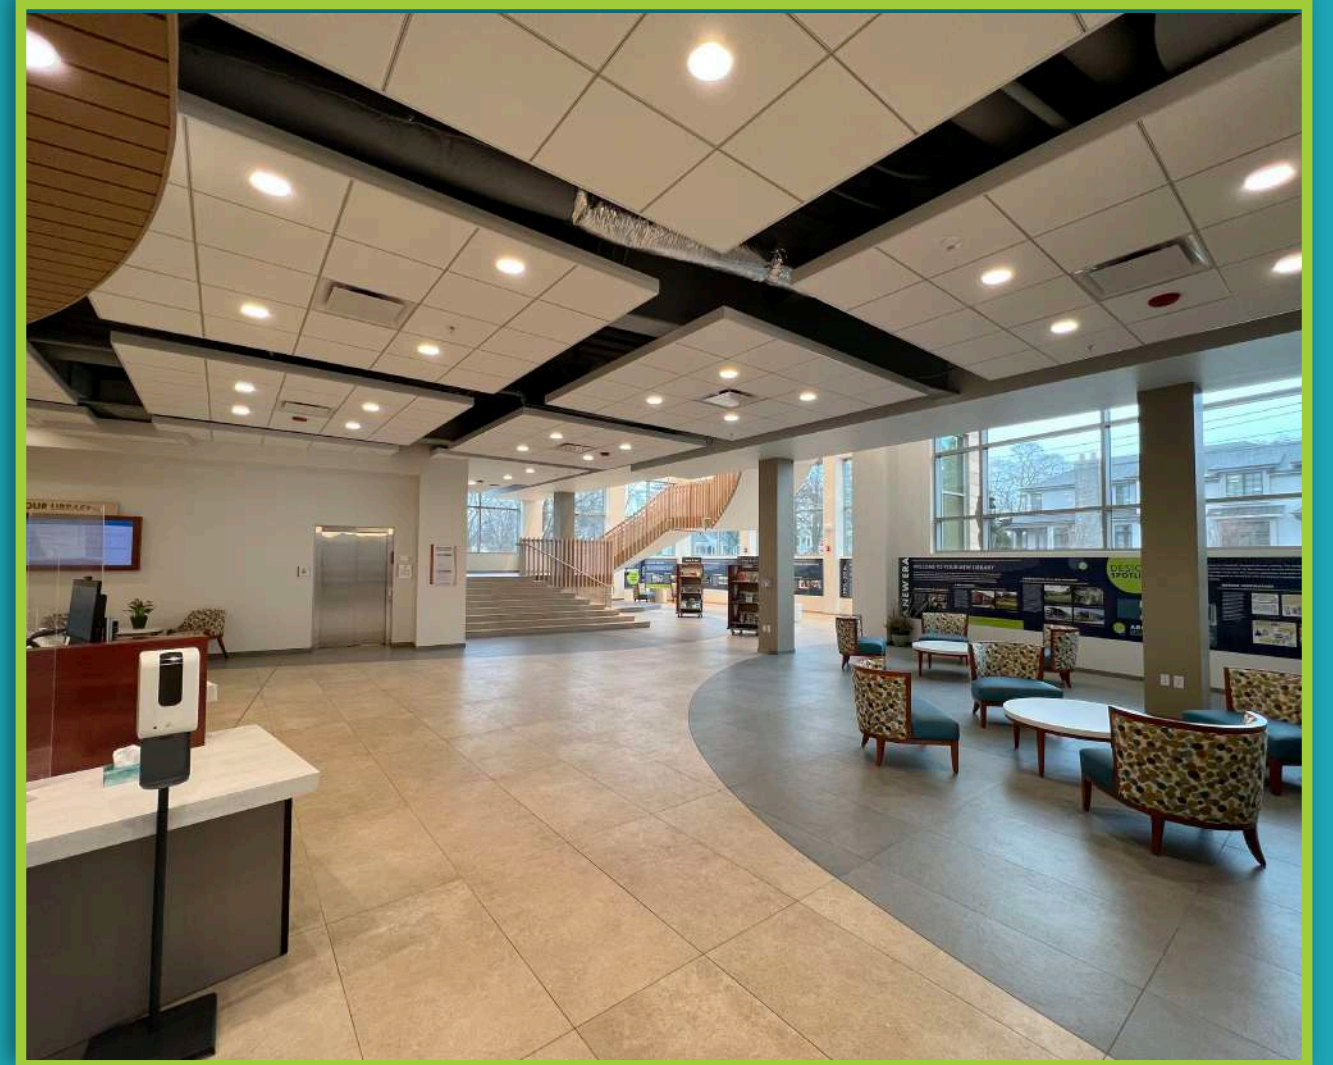

THE LIBRARY

When I arrive at my Library,
I will walk up the sidewalk
to enter the building through
the glass doors.

THE LIBRARY

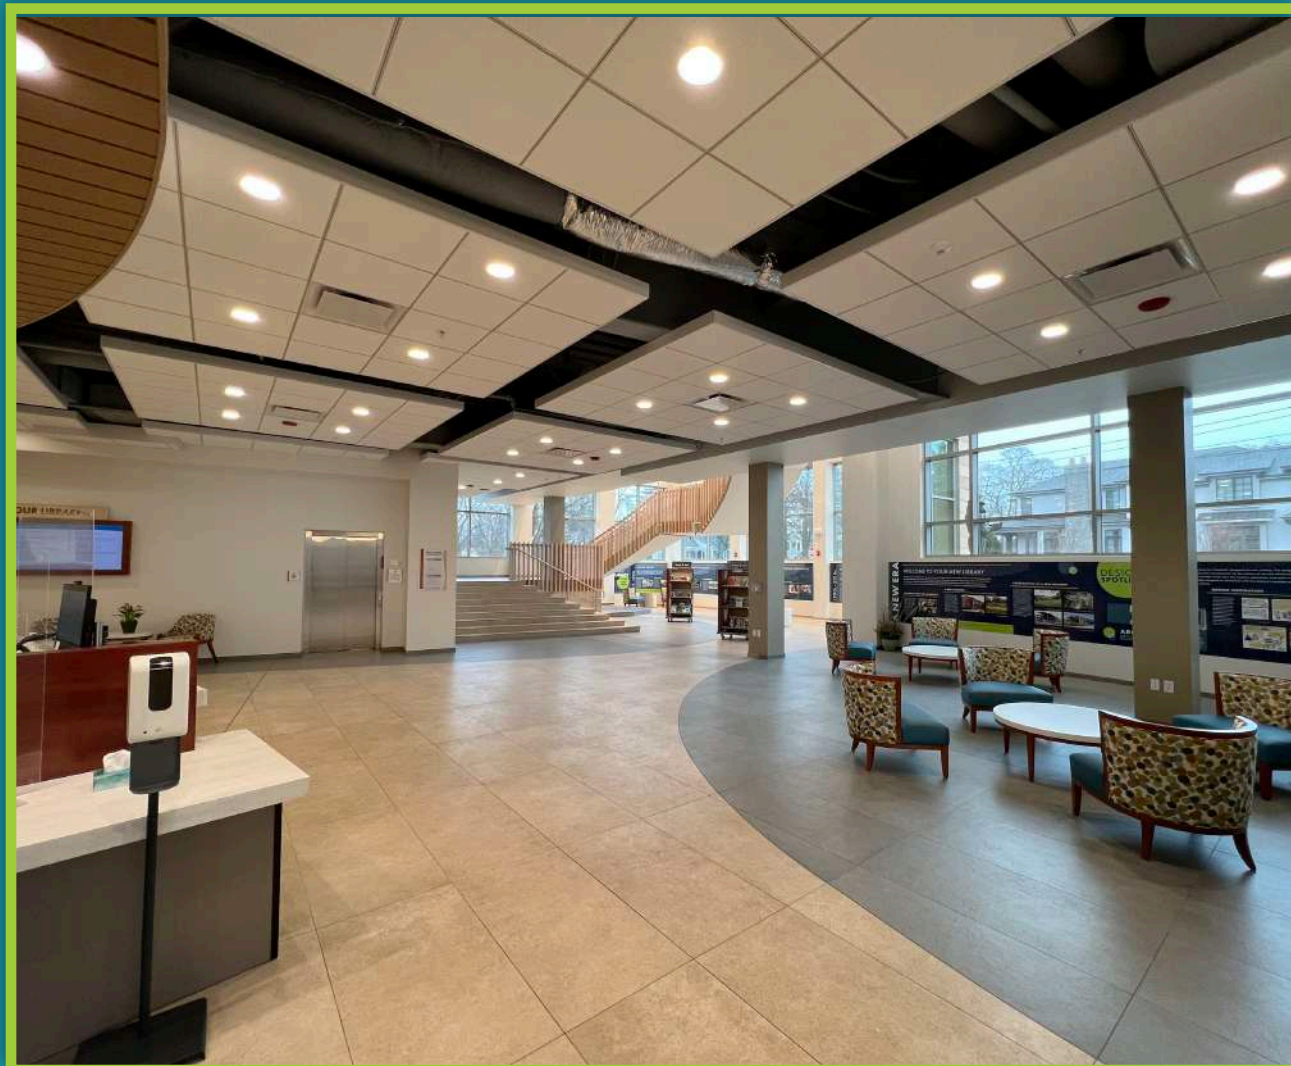

When I am inside the Library,
I will use my inside voice.
I will use my walking feet, and
I will keep my hands to myself.
I will share the space with
other people.

LIBRARY CARD

This is a Library card. I will need to bring my Library card with me if I want to bring materials home with me.

THE LOBBY

This is the Library Lobby. I need to go through the Lobby to visit Kids Landing.

THE LOBBY

There is an area to have a snack and a large room for events.

THE LOBBY

The Lobby is a large space.
I will see a desk, stair,
and an elevator.

THE LOBBY

There are public restrooms in the Lobby. The toilets will flush automatically, and the hand dryers make a loud noise.

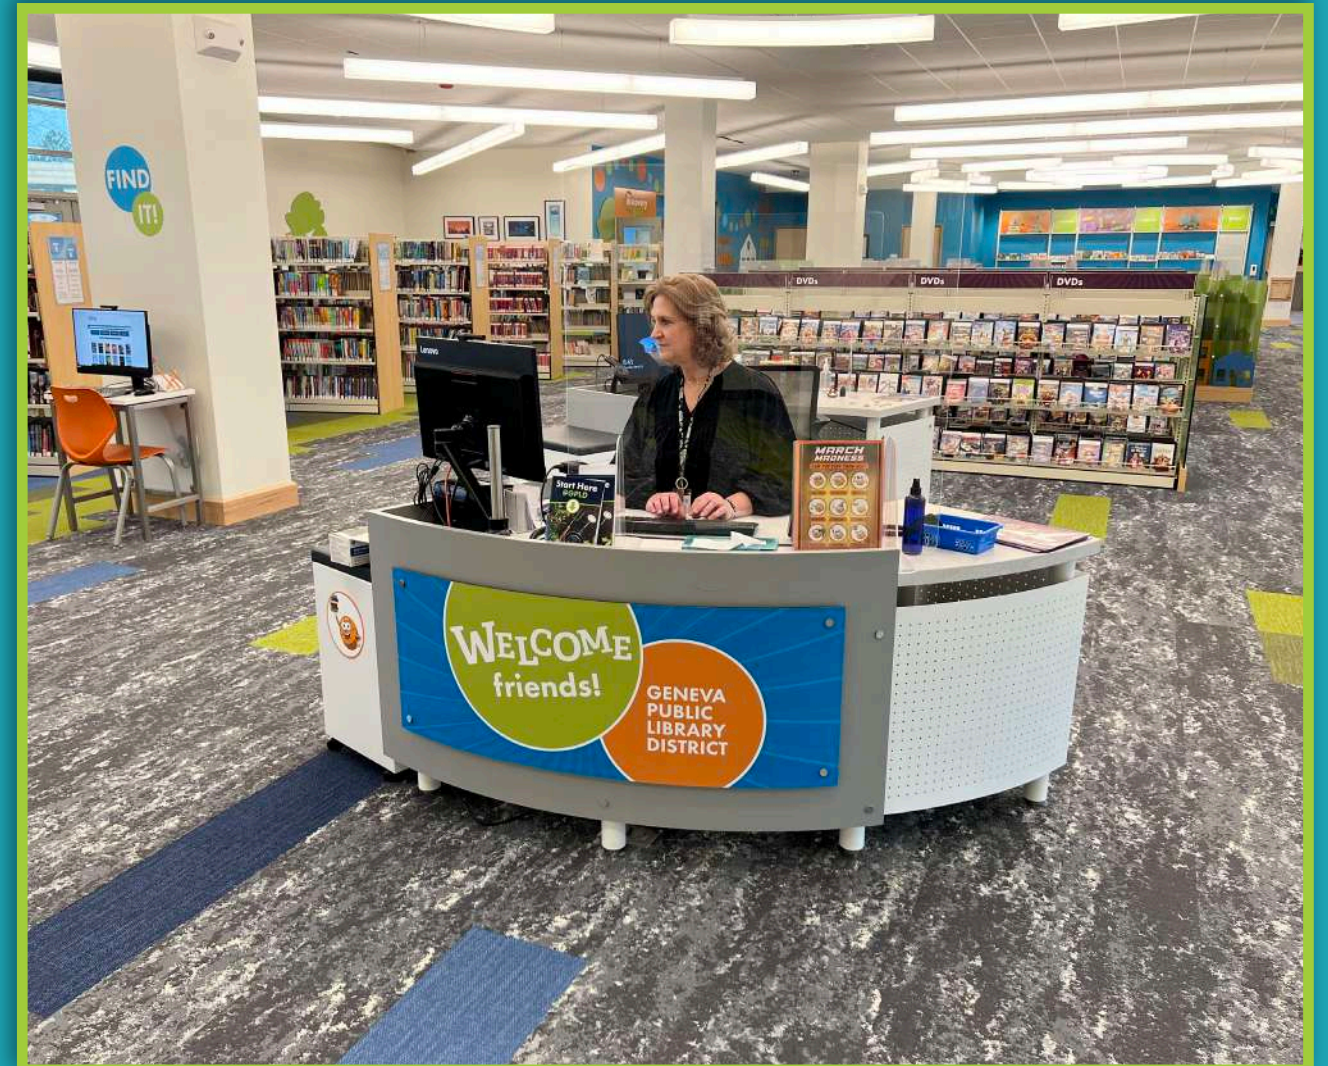

KIDS LANDING

This is where I enter the room
that has books and activities
for me.

KIDS LANDING

This is where the librarians work.
I can ask questions. They can help
me find what I am looking for.

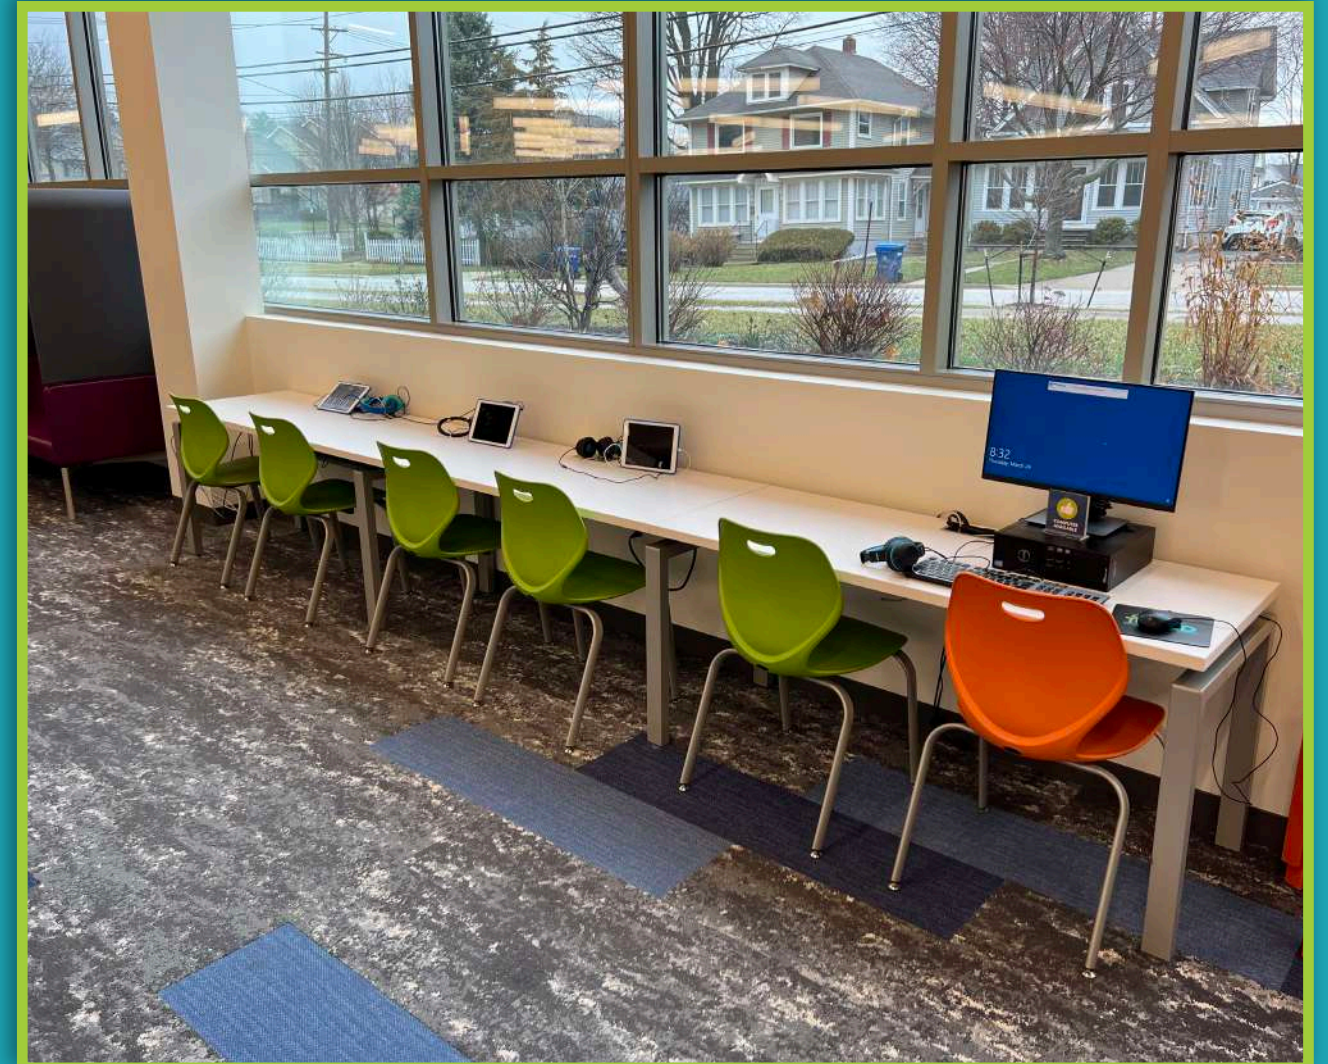

KIDS LANDING

I can build things with blocks,
play games, and color in the
Discovery Corner. I might have
to share or wait for my turn.

KIDS LANDING

I can use iPads and computers in Kids Landing. I will need my Library card or ask a librarian for a guest pass to use a computer.

KIDS LANDING

I can play with Duplo bricks, trains, and animals in the Play Area. There is also a play store to pretend in. I can sort colors and make patterns with the light up peg board. I might have to share or wait for my turn.

KIDS LANDING

I can use the supplies in
Discovery Spot to make crafts.

KIDS LANDING

There are different places to sit
in Kids Landing. I can choose a
comfortable place to sit and read.

KIDS LANDING

There are two small family restrooms in Kids Landing. I can go there by myself or with my adult to use the restroom. The hand dryers make a loud noise.

KIDS LANDING

I can visit the Discovery Terrace
and play outside when the weather
is nice.

PROGRAMS AT THE LIBRARY

There are different places in
the Library where I can attend
programs with other people.

PROGRAMS AT THE LIBRARY

I might attend a Storytime in the
Discovery Spot or a class in the
Discovery Corner.

PROGRAMS AT THE LIBRARY

I might attend a family program
in the Meeting Room or a class in
the Computer Lab.

PROGRAMS AT THE LIBRARY

I might attend a demonstration
in the DIY Workshop, or create
something with the 3D printer.
These areas are upstairs on the
second floor.

SOUNDS AT THE LIBRARY

There will be many sounds to
hear at the Library.

SOUNDS AT THE LIBRARY

I may hear the sounds of babies
or children crying when they
need something.

SOUNDS AT THE LIBRARY

I may hear the sounds of noisy equipment like computers, printers, vacuum cleaners, and the carts that move Library materials around the Library.

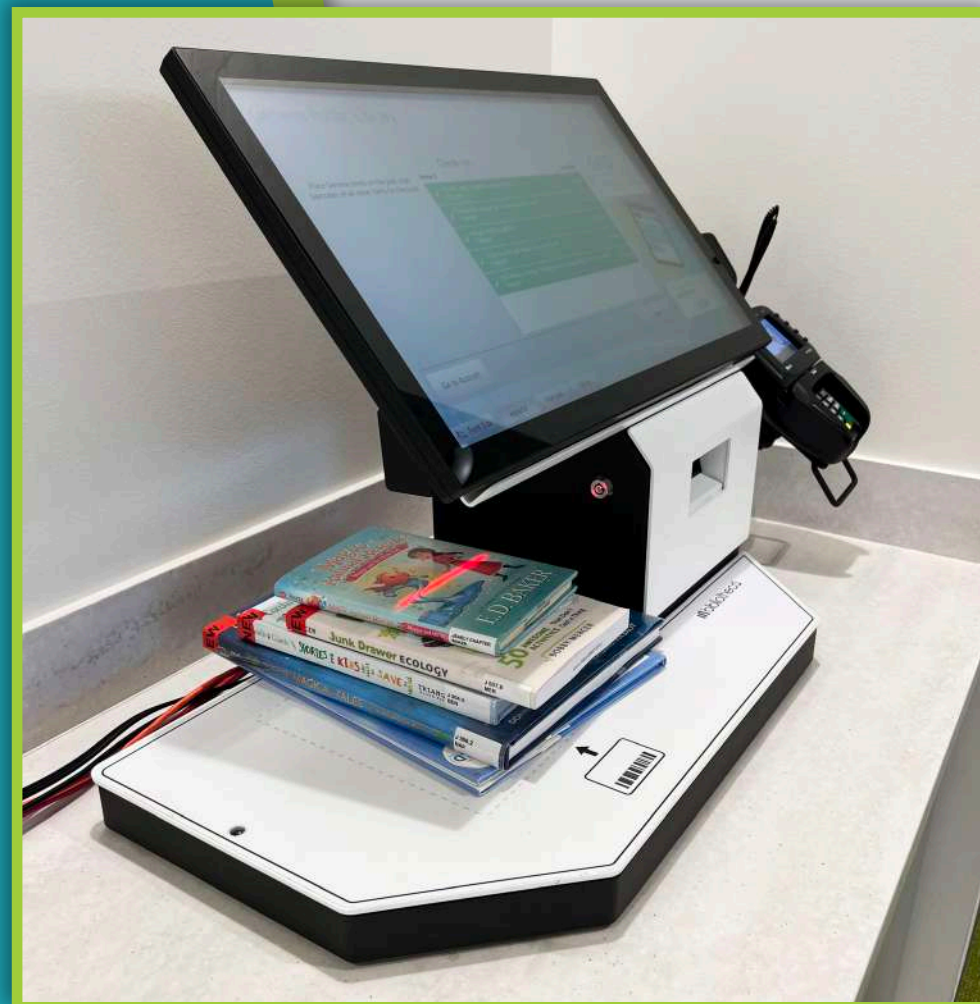

LEAVING THE LIBRARY

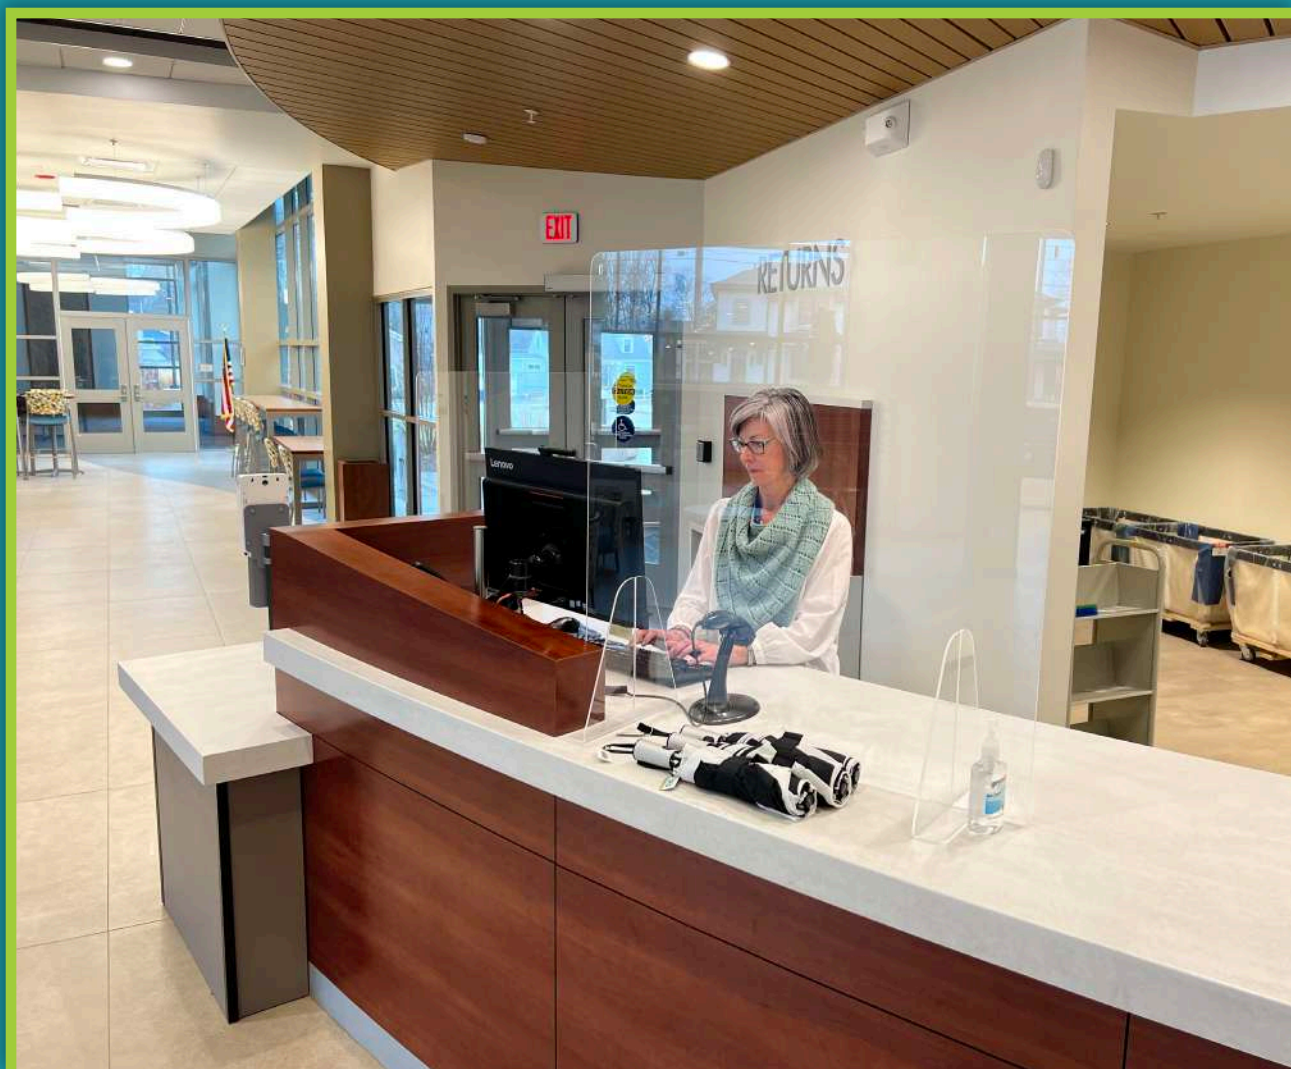

When I am done visiting the Library, I will put away the things I used. I will choose which items I am going to take home.

LEAVING THE LIBRARY

I will bring my Library card and the items I want to borrow to the self checkout machine. First, I will scan my card, and then I will place the items I want to check out on the scanner. I might have to wait for my turn.

LEAVING THE LIBRARY

I can also take my Library card and materials to the library staff at the Customer Service desk in the Lobby. If I want to check out a video game, I will need to go to this desk. I might need to wait for my turn.

LEAVING THE LIBRARY

When I am done using the items I borrowed, I will return them to the Library. I will return them in the Lobby or at the drive-up window.

THE LIBRARY
IS A FUN

I AM ALWAYS
WELCOME
